Engaging citizens in the processes of innovation and research to align their outcomes with the values of society.

26 European institutions work jointly to build resources to advocate, train, disseminate and implement RRI under Horizon 2020.

19 hubs from 30 countries debate promising practices of RRI.

AGÊNCIA NACIONAL  
PARA A CULTURA  
CIENTÍFICA E TECNOLÓGICA

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no. 612393.
